Dear colleagues,

On behalf of the All-Russian Society of Disabled People and myself personally I would like to extend my best wishes for successful work and new achievements on the occasion of the European Independent Living Day, which is celebrated on May 5<sup>th</sup> in a number of countries.

This day commemorates our joint efforts aimed at protection of rights of persons with disabilities around the world and it reminds us about the progress we made throughout the past decades as well as the journey ahead of us.

Therefore, it gives me immense pleasure to send my warmest regards and best wishes to you and your staff on this special day.

Sincerely,

Mikhail Terentiev
